Your New Benefit Amount

Date: December 2, 2025

Dear Ms. Whitfield:

We are writing to tell you about the cost-of-living adjustment that will apply to your Social Security benefit beginning in January 2026. The law requires that benefits increase when there is a rise in the cost of living.

Your monthly benefit amount before any deductions is two thousand one hundred eighty-four dollars and no cents ($2,184.00). This reflects a cost-of-living adjustment of 2.5 percent applied to your previous monthly benefit of $2,130.73.

We will deduct $174.90 each month for your Medicare Part B medical insurance premium. After this deduction, the amount deposited to your bank account each month will be $2,009.10. The deposit is made on the third day of each month, or the preceding business day when the third falls on a weekend or federal holiday.

Your benefit is paid by direct deposit to Meridian Trust Bank, account ending 4471. If you change banks you must notify us before the change takes effect.

This letter does not establish eligibility for any other program. If you are applying for assistance with long-term care costs, the agency administering that program may ask you for this letter. Give them the gross figure of $2,184.00 as well as the net deposit amount, because different programs count the benefit differently.

If you disagree with this decision you have the right to appeal. You must make your request in writing within 60 days from the date you receive this letter.

Sincerely,

Mid-Atlantic Program Service Center

Important: do not report the deposited amount as your benefit. Many assistance programs count the gross benefit of $2,184.00 before the Medicare premium is deducted.
