Date of birth	April 9, 1941
Benefit commencement	May 1, 2006
Form of payment elected	Joint and 50% survivor annuity

BENEFIT DETAIL

Component	Monthly	Annual
Base pension benefit	$1,587.92	$19,055.04
Cost-of-living adjustment applied 01/2026 (3.5%)	$54.58	$654.96
Gross benefit payable	**$1,642.50**	**$19,710.00**
Less: retiree health plan deduction	-$118.00	-$1,416.00
Net amount deposited	**$1,524.50**	**$18,294.00**

The gross benefit of $1,642.50 per month and the annual figure of $19,710.00 describe the same entitlement. The annual figure is shown for tax planning only.

SURVIVOR CONTINUATION

You elected a joint and 50 percent survivor annuity. Upon your death, and only upon your death, your surviving spouse would become entitled to a continuation benefit of $821.25 per month for the remainder of their lifetime. No survivor payment is made while you are living.

The survivor continuation is contingent. It must not be counted as household income while the primary annuitant is living.

COST OF LIVING

This benefit carries a cost-of-living adjustment tied to the Consumer Price Index for Urban Wage Earners, applied each January, capped at 3.5 percent per year. The adjustment applied for 2026 was 3.5 percent.
