OTHER THINGS YOU ASKED ABOUT

She gave my brother and me some money in December 2025 to help with a house. I think it was forty-five thousand dollars but the bank statement will say exactly.

She has long-term care insurance through Crestline. I do not know what it pays. The policy is in the blue folder.

The house is in her name. I have no idea what it is worth now. The county says something different from what the realtor said.

This worksheet is a family member's recollection, not a verified financial statement. Every figure requires a supporting institutional document before it is relied upon.
